## Optional Monday Kinder Prep Class

Mondays 9:00 am – 12:00 pm  
September 14 – December 7, 2026  
(12 classes, no class during Fall Break)  
\$220 for 12 classes  
Mrs. Hollywood and & Mrs. Szaniszlo

Through the process of journaling and exploring a new book each week, your preschooler will enhance their math, literacy, science, creative art, sensory and imaginative play skills. This independent exploration and hands-on learning will further prepare your child for the expectations of kindergarten.

**The \$220 payment by Zelle, check or cash will reserve your child's spot. Please register by September 3rd. We need 10 participants in order to break even and proceed with this class.**

If you would like to break up the payments in 4 installments that works too! (\$55 to sign up and then \$55 in Oct, Nov and Dec.)

Sign up at the east gate. Please see me if you have any questions.

Thank you!
